Née de la rencontre d'une feuille de chêne et d'un joaillier, la collection d'art de la table Blue Leaves™ présente un environnement complet d'objets pour le thé et le café.

Au fil des saisons, nos créations marient les lignes pures du design contemporain aux formes généreuses que nous inspire la nature.

Afin de laisser libre court à votre imagination, les produits Blue Leaves™ sont disponibles dans une large gamme de matériaux, nobles ou bruts et sont associables à l'infini. Adeptes de la pause café ou de la cérémonie du thé vous cultiverez ces instants de détente privilégiés en composant le service qui vous ressemble.

Notre démarche a déjà séduit de nombreuses boutiques spécialisées à travers le monde. Invitez-vous la nature à votre table ?

Blue leaves™, aims to create a distinctive collection of tableware products which possess a singular style readable and with personality. Our product line focuses on Coffee and Tea and appeals to customers who cultivate 'l'art de vivre' while seeking an affordable luxury.

At the source of our inspiration is an emotion stimulated by the observation of nature. In the imagination of the designer it takes shape as a model; organic in form, with sober lines and animated by a graceful movement. Seduced, our customers stage these unique object elegantly on their table. Thru this active participation in this the creative process our customer brings the Blue Leaves™ product to it's full expression.
