Featuring six essential pieces, the Modern Storage introduces a touch of elegance to your countertop. Among these essentials, three utilitarian cellars take center stage, each adorned with exquisite smoked cork lids that not only enhance their beauty but also serve as a functional addition.

KITCHEN / SCOTIA

SCOTIA

Scotia embraces the legacy of Scottish yellowware. Originating in Scotland during the late 1700s and later finding its way to England, yellowware emerged as a kitchen essential renowned for its utilitarian forms and robust craftsmanship. Crafted with dedication to both aesthetics and sustainability, this collection is made from Ecogres. With an eye on tradition and an embrace of the contemporary, our skilled artisans have created a range of kitchen essentials that celebrate both heritage and innovation.

The selection of glazes and colors, featuring both a glossy white and a transparent glaze, contributes significantly to the overarching narrative. The transparent glaze reflects the simplicity of bygone days, while the white glossy glaze introduces a layer of contemporary refinement, seamlessly merging tradition with modern sophistication.

IMPRESSIONS

Classic French country shapes are the foundation of the Impressions collection. We've added texture with both a hand-sponged glaze and an antiqued border.

MONTEROSA

Similar to Pacifica’s sleek matte sophistication, the small and great detailed finishes of Monterosa distinguish the collection to a superior level. The ode to Scandinavian and Japanese clean minimalist styles calls for inspiration to the senses.

PACIFICA

As an alternative to a more traditional, lustrous look, our Pacifica collection showcases a matte finish that works as well for everyday meals as it does for weekend casual gatherings.

VERMONT

Mixing the identities of handicraft and urban cosmopolitan created the Vermont collection. Pure geometry distinguishes its young contemporary look from others. Reminiscent of ancient techniques done by artisans, soft spirals dance from the center and result in a blend of formal modernity with elegant forms.
